

The Pike lakes

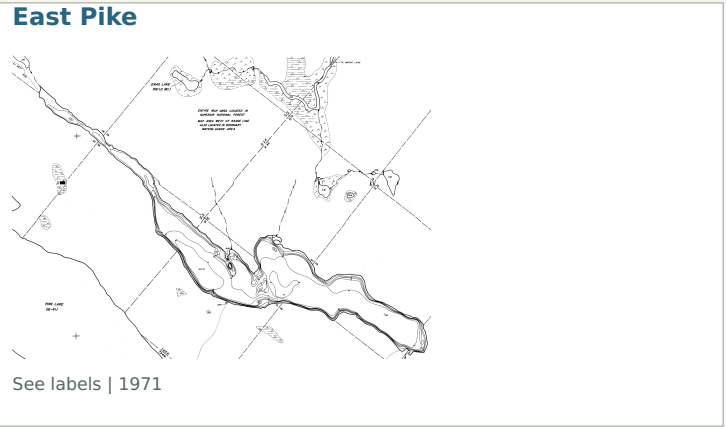

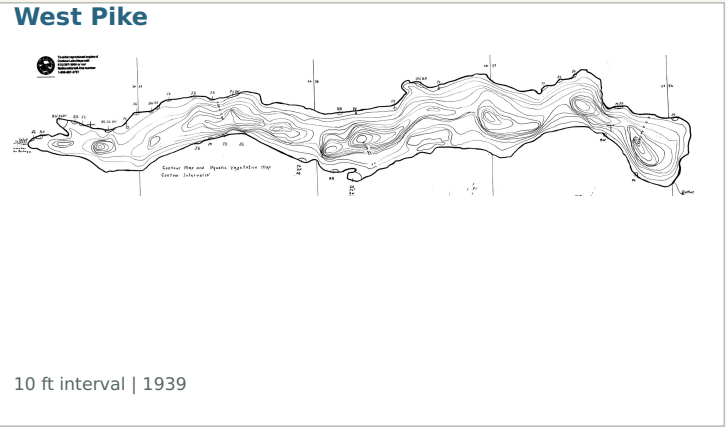

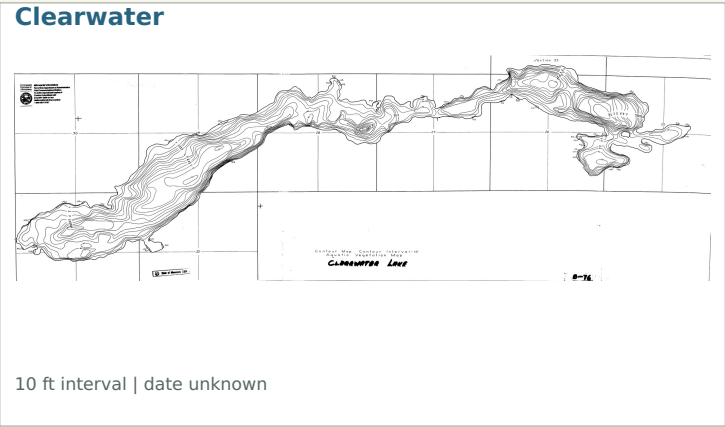

CANOE COUNTRY / LAKE DEPTHS, FISHERIES EVIDENCE & EXPERIMENTAL PORTAGE VIEWS

Colored line: 2008 route • Brown dash: USFS portage • Green dash: BWCA boundary • Blue numbers: depth feet • [S]: stocking

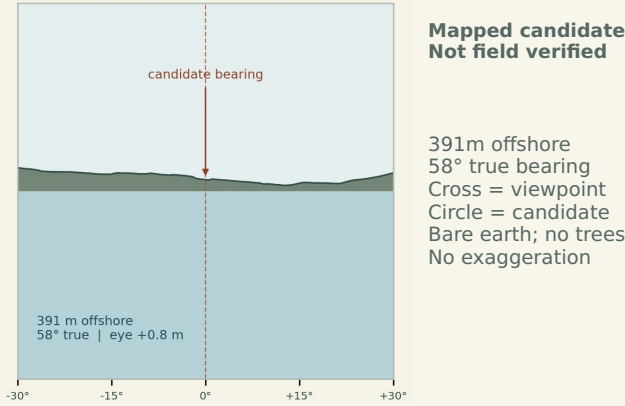

LAKE DEPTH REFERENCE / FEET

Independent historic scans • orientation/scale differ from route map • full originals included

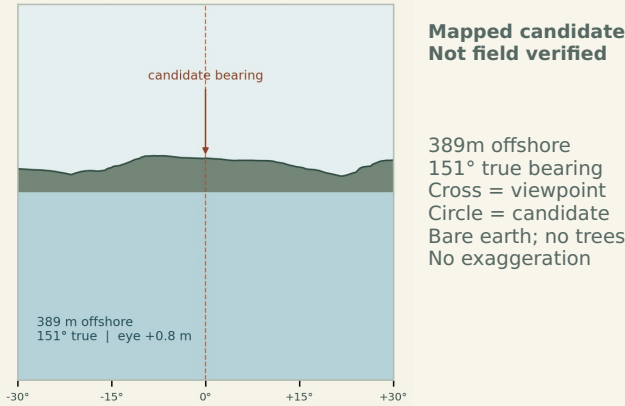

CANOE-EYE TERRAIN / EXPERIMENT

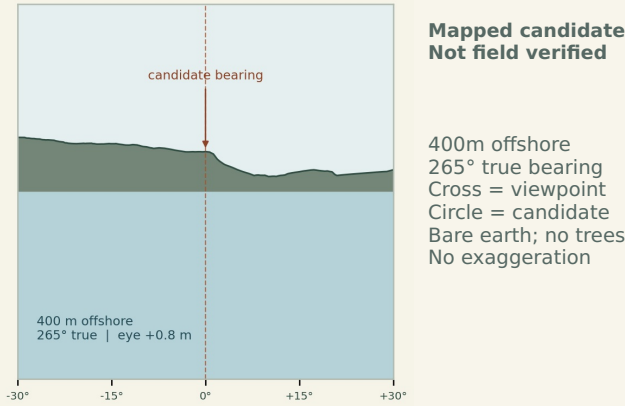

P07 Clearwater → West Pike

P08 West Pike → East Pike

P09 East Pike → Pine (junction)

P01: trail/shore mismatch (~383m). P10/P11: no USFS trail. Use these three as research candidates, not aim points.
