A DRAUGHT OF THE EASTERN LAKES

The Canoe Traveller's Network

Seventeen lakes about Clearwater ⁄ Connections & travelling hours ⁄ A modern hypothetical exercise

---

READING THE DRAUGHT

Lake figures: paddling hours between letters. Straight links: carry rods (~) & double-carry hours.
S = Clearwater departure; T = imagined turning place. * = approximate carry geometry. Dashed = water link.

Not to scale: take no bearings from this drawing.
Windbound? Wait; that time is outside these ranges.
Geographic companion & full assumptions in the project.
